

WASHINGTON COUNTY SUBDIVISION COORDINATOR

JACOB THORIUS

210 W. MAIN ST. – SUITE 2

WASHINGTON, IOWA 52353

To: Minor & Major Subdivision Developer

The Washington County Subdivision Ordinance requests that the utility and service providers to the proposed subdivision be informed of the planned development and be provided with the opportunity to respond.

Many of the contacts will supplement communication which you and your surveyor/engineer have initiated in planning the services to the proposed subdivision.

The following procedures are suggested to complete the information distribution:

1. Complete the cover letter for each utility and service provider
 - A. provider name
 - B. your name and address
 - C. subdivision name and general information
2. Make at least one copy of each completed provider letter to be submitted to the Subdivision Coordinator. (extra copy for your file?)
3. Send a copy of the preliminary plat or minor plat for the proposed subdivision and the cover letter to each provider. **Send return receipt request mail.**
4. After all the signed return receipts are returned to you, present all the receipts and the copy of each letter sent to each provider to the subdivision coordinator when the application is submitted.
